### About Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people who have no history of seizures or epilepsy may have an undiagnosed condition that can cause these "photosensitive epileptic seizures" while watching video games.

These seizures may have a variety of symptoms including: lightheadedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, or momentary loss of awareness. Seizures may also cause loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects.

Immediately stop playing and consult a doctor if you experience any of these symptoms. Parents should watch for or ask their children about the above symptoms—children and teenagers are more likely than adults to experience these seizures.

The risk of photosensitive epileptic seizures may be reduced by:

- sitting farther from the television screen,
- using a smaller television screen,
- playing in a well-lit room, and
- not playing when you are drowsy or fatigued.

If you or any of your relatives have a history of seizures or epilepsy, consult a doctor before playing.

### Avoid Damage to Your Television

Do not use with certain televisions. Some televisions, especially front- or rear-projection types, can be damaged if any video games, including Xbox games, are played on them. Static images presented during the normal course of game play may "burn in" to the screen, causing a permanent shadow of the static image to appear at all times, even when video games are not being played. Similar damage may occur from static images created when placing a video game on hold or pause. Consult your television owner's manual to determine if video games can be safely played on your set. If you are unable to find this information in the owner's manual, contact your television dealer or the manufacturer to determine if video games can be played on your set.

### Other Important Health and Safety Information

The Xbox Instruction Manual contains important safety and health information that you should read and understand before using this software.

Unauthorized copying, reverse engineering, transmission, public performance, rental, pay for play, or circumvention of copy protection is strictly prohibited.

# Getting Started

## Using the Xbox® Video Game System

1. Set up your Xbox video game system by following the instructions in the Xbox Instruction Manual.
2. Press the Power button and the status indicator light will light up.
3. Press the Eject button and the disc tray will open.
4. Place the *X-Men™ Legends* disc on the disc tray with the label facing up and close the disc tray.
5. Follow on-screen instructions and refer to this manual for more information about playing *X-Men Legends*.

## Avoiding Damage to Discs or the Disc Drive

To avoid damage to discs or the disc drive:

- Insert only Xbox-compatible discs into the disc drive.
- Never use oddly shaped discs, such as star-shaped or heart-shaped discs.
- Do not leave a disc in the Xbox console for extended periods when not in use.
- Do not move the Xbox console while the power is on and a disc is inserted.
- Do not apply labels, stickers or other foreign objects to discs.

## Using the Xbox Controller

1. Connect the Xbox Controller into any controller port on the front of the Xbox console. For multiple players, connect additional controllers to available controller ports.
2. Insert any expansion devices (for example, Xbox Memory Units) into controller expansion slots as appropriate.
3. Follow on-screen instructions and refer to this manual for more information about using the Xbox Controller to play *X-Men Legends*.

## Prologue

The first flakes of winter fluttered down on a biting breeze. Betsy Braddock™ stepped out onto her balcony and stared up at the charcoal New York City skyline in wonderment. Where had all the stars gone? There was no moonlight glow casting long shadows along the rooftops this night. There were, however, enough falling stars to answer the wishes of every child in midtown Manhattan. She had been awakened by a terrible nightmare that the city had gone mad. Screams of terror lingered and seemed to echo in her head. *No!* Those weren't *echoes* in her head at all...those screams were *real!* Fires burned, down on 34th Street. Somewhere nearby, a car screeched and slammed into the side of a building. A female voice cried out in the darkness, mingling with cries of glee and screams of anguish...

...And in the next moment, like the last rays of moonlight, Betsy, the woman now known as Psylocke™, was gone, lost among the embers and city lights below. This was not how anyone thought it would be. Least of all, the X-Men. Just then, Betsy's apartment shook as a large shadow the length of five cars passed two stories beneath, through the darkness of night. What was already a dark sky was darkened further by dozens of mechanized beasts flying above, the mutant hunting Sentinel swarm, circling about like vultures waiting to feast in the streets below.

Several blocks away, a car exploded, rocking the street and sending bodies flailing to the ground like dominoes. The joints of a 50-foot steel behemoth creaked as it rose above the city lights and awnings in the middle of the six-lane street. A small girl hunched over a doll crouched behind a car, screaming for her mother. "Mutant DNA identified...prime objective, terminate," a pair of inhuman eyes the size of street lamps glared from above and glowed with white hot fury. Just then, a large gloved hand grabbed the child like a doll and lifted her onto the massive shoulders of a mighty, metallic-skinned mutant. Out of the shadows of the X-Jet, a ruby-quartz visor burned fiery hot, and almost instantly six razor-sharp adamantium claws extended, reflecting the monster's yellowish gaze.

"Not tonight, bub..."

## Main Menu

Welcome to the Xavier Institute™. From the Cerebro™ Room, you can access the Danger Room™, modify your options, view unlocked cinematics or begin a fresh game with a new stable of mutants. The choice is yours!

**Begin Story**—Start a new game.

**Load Game**—Continue an existing saved game from your last save point.

**Danger Room**—Access a variety of multiplayer modes and training missions.

**Options**—Set your sound, camera and controller vibration options. You can also view the controller layout.

**Review**—View unlocked cinematics, comics and artwork.

**Credits**—View the game credits.

## X-Men™ Legends

The X-Men are brought to life in a high-action role-playing game that takes you and your favorite heroes through their most dangerous adventure yet.

"Jean, I want a bubble around everyone on the team! Storm, take out the Acolytes!"  
—Cyclops™

Get ready to take control of a team of X-Men, travel to exotic locations and embark on daring missions in a quest to save the world from a new face of evil. *X-Men Legends* allows you to live the adventure as an entire team of heroes. Choose the most suitable heroes for the mission, customize your heroes and launch them into a story of epic scope. It's up to you to decide the fate of the world!

## Teaming Up

*X-Men Legends* is all about building your very own team of Super Heroes™. The first mission puts you in control of Wolverine™—simply put, the best at what he does. As you unlock more heroes, you'll be able to choose a team to take on each mission. You'll also be able to change your team composition at Xtraction Points, but these blue X icons don't appear around every corner, so pick your team wisely.

Once in the game, your allies will follow you; use their powers and pick out targets to attack. If at any time you want to bring your allies to your side, simply press the **Call Allies** button. During combat, press the **Call Allies** button to command your allies to attack your currently targeted enemy with their selected power.

## Unique Power Combos

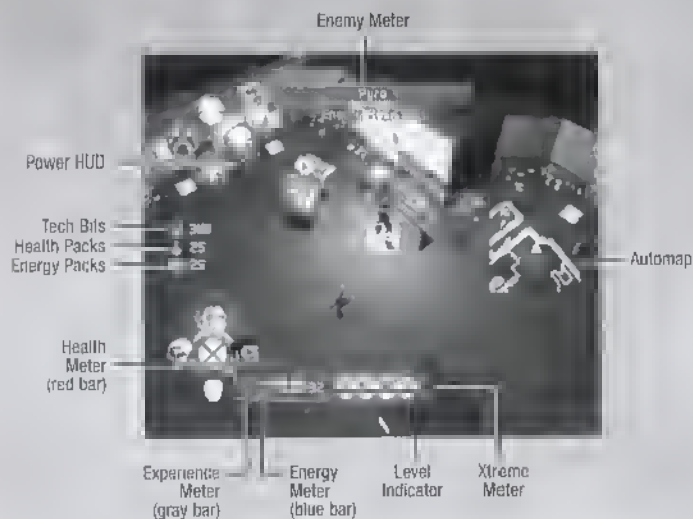

There are many unique power combinations, which earn extra damage as well as bonus experience. Practice various combinations using the **Call Allies** button to call for specific ally attacks!

For example:

**Icy Beam**      Optic Beam + Freeze Blast

**Electric Scream**      Lightning + Psychic Shout

## Heads Up Display (HUD)

The HUD is optimized to allow control over your entire party. The faces that appear in the HUD are configured in 4 positions, each represented by a direction on the directional pad. Pressing any direction on the directional pad instantly gives you control of the corresponding X-Men character.

**Health Meter**—Shows the health of the currently selected X-Men character.

**Energy Meter**—Shows the energy of the currently selected X-Men character.

**Experience Meter**—Shows how close your X-Men character is to the next level of experience.

**Xtreme Meter**—Fill up the 4 segments within the HUD to light up the Xtreme Meter. This indicates that the Xtreme Power is enabled (see page 13).

**Enemy Meter**—Displays the health of your currently selected target.

**Automap**—Your automap is an invaluable tool that helps you find unexplored areas and objectives.

**Tech Bits**—Useful for purchasing items and more, these can be an important collectable.

**Health packs**—Shows your current number of Health Packs. health packs, like all items, are stored in a team inventory pool, usable by your entire team.

**Energy Packs**—Shows your current number of Energy Packs.

**Power HUD**—Displays currently available powers for the active X-Men character when the Superpower Selector is held.

**Level Indicator**—Displays the level of your currently selected hero.

## Xtraction Points

Xtraction points are save points which appear throughout the game. Activate an xtraction point by pressing the **X** button to change your team, save a game, load a game or visit the Danger Room.<sup>14</sup>

Besides changing your team, you're also able to revive fallen team members using tech bits and purchase items from Forge and Healer.

*Note: During Flashback, missions in the Danger Room, you'll be unable to revive your fallen teammates.*

## Attributes & Skills

Leveling up is part of any RPG experience. When you've accrued enough experience, your character gains a new level. You'll know that a character has leveled up when you see a double-helix pattern around the selection icon at the character's feet. Don't hesitate to enter the menu and level up. This allows you to add points to your character's attributes and skills. If you're not sure where to place the attribute points and skill points you've earned, Cerebro™ will be happy to place those points in the optimal slots for you when you press the **Y** button to auto-upgrade.

"I feel like bangin' some heads..."  
—Wolverine

### Attributes

**Attributes** are basic traits shared by all mutants. They are Strike, Agility, Body and Focus.

**Strike**—Increase your attack level.

**Agility**—Increase your defense level.

**Body**—Increase your maximum health.

**Focus**—Increase your maximum energy and energy regeneration rate.

**AI Level (3 types)**—Determines actions of teammates who are not controlled by a human player.

- **Aggressive**—Always attacks your target immediately.
- **Normal**—Attacks when the opportunity arises.
- **Defensive**—Stays away from enemies, attacking only when attacked.

**AI Heal (4 types)**—Allows AI to automatically heal teammates using remaining health packs when health is below a certain level (as long as there are more than 2 remaining).

*Note: This setting affects all AI-controlled X-Men.*

- **Never**—AI will not use any health packs no matter the remaining health.
- **Less Than 20%**—AI will use a health pack when a teammate is below 20% of maximum health.
- **Less Than 40%**—AI will use a health pack when a teammate is below 40% of maximum health.
- **Less Than 80%**—AI will use a health pack when a teammate is below 80% of maximum health.

**AI Power**—Determines the mutant power used by teammates on a targeted enemy when the Ally button is pressed (Xtreme Power not selectable).

## Skills

**Skills** are unique to each X-Men character, and measure your ability to use your mutant craft in various ways. Some of your skills are active, which means you must perform a special action to use your power. Other

skills are passive, meaning that your powers go into effect automatically, and are evidenced during normal gameplay. Every character has multiple upgrades to their powers, which take on new properties as you assign points to them. To see what powers you can unlock, view the skill tree in the Skills menu. Many powers have multiple tiers. You can advance to the next tier by filling in all the skill point slots in the current tier.

**Upgrading mutant powers**—Assigning points in an existing skill increases the potency of that skill. Cost: 1 skill point.

**Acquiring new mutant powers**—Unlocking a new power or upgrading to the next tier of a power is indicated by a gold square on the Skill Tree. Cost: 2 skill points.

**Bufs**, or skills that bolster your attributes either offensively or defensively, appear on the affected character in the game.

Bufs that increase your striking power generally appear on your character's hands.

Bufs that increase your defensive ability generally appear on your character's feet.

## Xtreme Powers

Every hero has the potential to unlock the ultimate version of his or her basic power. This power doesn't use mutant energy, but instead uses Xtreme tokens. Once you've unlocked this skill and collected 4 tokens, you have enabled your Xtreme power. The Xtreme power is always activated by holding the **right trigger** and pressing the **Y** button.

## Items & Equipment

Equipment is worn by each X-Men character to enhance his or her abilities and is always in effect as long as it's equipped. There are 3 types of equipment you can use.

**Armor** deflects damage and gives resistances.

**Belts** increase one or more of your 4 basic attributes, and enhance each character just as upgrading the attribute would. Enhanced attributes are shown in blue on the Attributes screen.

**Backpacks** add damage to your melee and mutant attacks.

**Health packs** replenish the health of your currently selected hero. The maximum number of health packs you can carry at level 1 is 10.

*"You boys and your little toys. One of these days, I'm going to walk into a room and catch you and Cyclops trading action figures."*

—Jean Gray™

**Energy packs** replenish the energy of your currently selected hero. The maximum number of energy packs you can carry at level 1 is 10.

## Forge's Workshop

Forge™ can make anything. That's right, anything... for a price. When there's a piece of equipment you need, he gets the job done. All he desires in return are mechanical parts, known as tech bits, he uses to make more trinkets. Forge will trade unique or rare items to you as well as more mundane armor and enhancers. However, the more valuable the item, the more it'll cost you.

Collect tech bits throughout the game to purchase items from Forge and Healer.

*"This is my workshop, gentlemen... look, but don't touch"*  
—Forge

## Healer's™ Den

The Morlocks™ are a nomadic people who have built a society in the innards of the New York sewers. Most don't take kindly to strangers who wander into their domain. The Healer, however (the wisest and oldest of the Morlocks), provides aid where he can to those who pass through. He has potions that will salve your wounds and revitalize your mutant power. All he asks for in return are trinkets, called tech bits, from the surface that can be used to build infrastructure and improve the quality of life for the Morlocks.

*"I'm not the leader of the Morlocks. Just their spiritual guide."*  
—Healer

# The Mansion

Routinely throughout your quest, you'll be able to return to the mansion for some much-needed R & R. Here, you can talk to your tellow X-Men, gain information on past missions, view your cinematics in the TV room or visit the Danger Room to train for your next mission.

## Danger Room

**Training**—Complete a number of pre-set challenges for an experience reward.

**Sparring**—Compete against the CPU in a race against the clock.

**Sparring Scores**—View your high scores for sparring challenges.

**Skirmish**—Compete against other players in various combat games.

**Brawl**—Engage in combat with other players for a predetermined amount of time. Lives: unlimited.

**King of the Hill**—Compete with other players to remain King for a predetermined amount of time. Lives: unlimited.

**Last Man Standing**—Engage in combat with other players until all but one is defeated. Lives: 4.

**Last Man Ladder**—Engage in combat with other players. Defeated players respawn at a higher level. Lives: 4.

## Multiplayer

So, you want to play with a friend? At any time during your single-player adventure, plug in an extra game controller and posse up! Up to 4 players can join in on the action at once. But be careful...the enemies will be a bit tougher as well.

**Co-op Mode**—When the Start button is pressed on the 2P, 3P or 4P controller, the HUD will divide into 4 parts, one for each X-Men character available on the team. You can still switch to a free X-Men character on your team at any time by pressing the correct direction on the D-pad. When playing 4 players, you're unable to swap characters.

During 1, 2 or 3 character missions and zones, unused controllers are on standby until more characters are available.

To disable controller, select **Players** from the Pause menu, highlight the desired player and press the **A** button.

*Note: Co-op play is only available when you have multiple X-Men in your party.*

## SOFTWARE LICENSE AGREEMENT

USE OF THIS PROGRAM IS SUBJECT TO THE SOFTWARE LICENSE TERMS SET FORTH IN THE FOLLOWING PROGRAM INCLUDES THE SOFTWARE INCLUDED WITH THIS AGREEMENT. THE ASSOCIATED MATERIAL MAY BE PRINTED, REPRODUCED, COPIED, OR ELECTRONICALLY TRANSMITTED, AND ANY AND ALL COPIES AND DERIVATIVE WORKS OF SUCH SOFTWARE AND MATERIALS BY OPERATING THIS PACKAGE AND/OR USING THE PROGRAM, YOU ACCEPT THE TERMS OF THIS LICENSE WITH ACTIVISION, INC. ("ACTIVISION").

**LIMITED USE LICENSE.** Activision grants you the non-exclusive, non-transferable, revocable right and license to run one copy of this Program solely and exclusively for your personal use. All rights not specifically granted under this Agreement are reserved by Activision. This Program is licensed, not sold. Your license confers no title or ownership in this Program and should not be confused or made

[illegible]

YOU SHALL NOT:

- Exploit this Program or any of its parts commercially, including but not limited to use at a cyber cafe, computer gaming center or any other location-based site. Activation may require a separate SUSE License Agreement to permit you to make this Program available for commercial use, see the contact information below
- Sell, rent, lease, license, distribute or otherwise transfer this Program, or any portion of this Program, without the express prior written consent of Activision
- Reverse engineer, disassemble, decompile, disassemble, or create derivative works of this Program, in whole or in part
- Remove, disable or circumvent any proprietary notices or labels contained on or within this Program
- Export or re-export the Program or any copy or adaptation in violation of any applicable laws or regulations

**LIMITED WARRANTY.** Activision warrants to the original consumer purchaser of this Program that the recording medium on which the Program is recorded will be free from defects in material and workmanship for 90 days after the date of purchase. If the recording medium is found defective within 90 days of original purchase, Activision agrees to replace, at its option, any product determined to be defective within such period upon receipt of the Product, postage paid, with proof of the date of purchase, as long as the Program is still being manufactured by Activision. In the event that the Program is no longer available, Activision retains the right to substitute a similar program of equal or greater value. This warranty is limited to the recording medium containing the Program and is explicitly provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable if the defect has been caused through abuse, misuse, or neglect. Any moved warranties prescribed by statute are expressly limited to the 90 day period described above.

EXCEPT AS SET FORTH ABOVE, THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WITH THE NORMAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT, AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY KIND SHALL BE BINDING ON OR DERIVATIVE, AGGREGATION.

When returning the Program for warranty replacement, please send the original product disks only in protective packaging and include: (1) a photocopy of your dated sales receipt, (2) your name and return address typed or clearly printed, (3) a brief note describing the defect, the philosophy(s) you are uninstalling and the system on which you are running the Program, (4) if you are returning the Program for the 90-day warranty period, but within one year after the date of purchase, please include check or money order for \$70.45 or tenancy per some disk replacement. Note: Certified mail recommended.

In the U.S., send to: Warranty Replacements, Activision, Inc., P.O. Box 67743, Los Angeles, California 90067.

**LIABILITY ON DAMAGES:** IN NO EVENT WILL ACTIVISION BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MISUSE OF THIS PROGRAM, INCLUDING BUT NOT LIMITED TO, LOSS OF DATA OR INFORMATION, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURY OR DEATH. ACTIVISION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. ACTIVISION'S LIABILITY SHALL NOT EXCEED THE ACTUAL PRICE PAID FOR THE LICENSE TO USE THIS PROGRAM. SOME STATES/COUNTRIES DO NOT ALLOW LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

**TERMINATION.** Without prejudice to any other rights of Activision, this Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of this Program and all of the component parts.

**U.S. GOVERNMENT RESTRICTED RIGHTS.** The Program and documentation have been developed primarily by private expense and are provided as "Commercial Computer Software" restricted computer software. Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions appearing in a notice in a copyright (c)(1) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or in the software in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights in FAR 48.227-13, as applicable. The Contractor warrants that it is the owner of the Intellectual Property in the Program. Santa Monica, California 90405.

**INJUNCTION.** Because Activision would be irreparably damaged if the terms of this Agreement were not strictly and fully enforced, you agree that Activision shall be entitled, without bond, other security or proof of damage, to appropriate equitable remedies with respect to breaches of this Agreement. In addition to such other remedies as ACTIVISION may otherwise have under applicable laws

**INDEMNITY.** You agree to indemnify, defend and hold Arivision, its partners, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions in using the Product pursuant to the terms of this Agreement.

**MISC/1: LAW QUS.** This Agreement represents the complete agreement concerning this fiduciary between the parties and supersede all prior covenants and representations between them. It may be amended only by a writing executed by both parties. Any provision of this Agreement is held to be unenforceable for public policy reasons if it purports to restrict the right of either party to make a will or to make a gift, and the remaining provisions of this Agreement shall not be affected. This Agreement shall be construed under California law. California law is applied to Agreements between California residents on Intero and to be performed within California, except as governed by federal law and any consent to the exclusive jurisdiction of the state and federal courts in Los Angeles, California.

If you have any questions concerning this license, you may contact ActiveVision at 3100 Ocean Park Boulevard, Santa Monica, California 90405 (310) 255-2000. Attn: Business and Legal Affairs. [legal@activevision.com](mailto:legal@activevision.com)
